Your Goals in your District:

-HHC 77th and 777th are deploying this spring. This will change the dynamics of the organization for the next year or so. HHC 1-114th will now assume brigade responsibilities and F Co 2-211th, and Det 1 B Co 449th will fall under 1-114th until the brigade returns. The deployment will also negatively affect numbers for conference participation in April.

-Several units are also currently preparing for 2017 deployment.

-Numbers are down due to the new year. Need to target those whose membership may have expired but are unaware.

Communications efforts:

-Emails about the scholarship and updated membership information was sent out to all CSM's, 1SG's, and RNCO's.

-Communicated with deployed unit (1SG Williamson, 238th) on sponsoring membership of the Staff Sergeants in his unit.

Support Needed:

-Would like the Battalion Commanders (or CSMs) to distribute the information during Command and Staff meetings the same they do for Officer's Association.

-Have Command and Staff support and attend the state conference.

Membership Drive Efforts:

-Utilize the catering trailer for lunch meals on drill weekends. Has been mentioned several times, but has yet to be done. Will push for May drill during IWQ.

-All Soldiers should be aware that they will receive a half-day off from drill for joining the association.

-Ensure a representative is at MEDCOM during PHA weekend in April.

Legislative Efforts:

-No report.

Fund Raisers Supported:

-No report.
