### **Your Goals in your District:**

- Increase membership! Do this by increasing awareness of the Enlisted Association and the benefits it provides to Soldiers.
- Get more 77<sup>th</sup> TAB Soldiers involved in fundraising and volunteering at EAANG events.
- Ensure Soldiers know who to talk to about presenting ideas for new legislation.

### **Communications efforts:**

- Ensure RNCO's and 1SG's are actually talking about the association and helping get the word to the Soldiers. Make sure the website is listed on the drill letters.
- Go to each unit's formation or Soldier's work areas with information or give some hand-outs about the association. Currently nothing in writing.
- Conduct meetings with full-time staff to discuss ideas for fundraising and membership drives.

### **Support Needed:**

- Require all 1SG's to lead from the front and join the association? Not all 1SG's are members.
- Would like the Battalion Commanders (or CSMs) to distribute the information during Command and Staff meetings the same they do for Officer's Association.

### **Membership Drive Efforts:**

- Utilize the catering trailer for lunch meals on drill weekends. Has been mentioned several times, but has yet to be done.

### **Legislative Efforts:**

- No report.

### **Fund Raisers Supported:**

- No report.
