Your Goals in your District:

-Increase membership! Do this by increasing awareness of the Enlisted Association and the benefits it provides to Soldiers.

-Get more 77th TAB Soldiers involved in fundraising and volunteering at EAANG events.

-Ensure Soldiers know who to talk to about presenting ideas for new legislation.

Communications efforts:

-All RNCO's have been made aware of the website and information to be placed in unit drill letters.

- Soldiers received a pocket-sized drill dates card with the Enlisted Association information on the back to include website and cost to join.

Support Needed:

-Require all 1SG's to lead from the front and join the association? Not all 1SG's are members. **Update:** I sent an email out to all the CSM's, SGM's and 1SG's in 77th TAB to highly encourage them all to join. It did generate a few responses and several 1SG's signing up.

-Would like the Battalion Commanders (or CSMs) to distribute the information during Command and Staff meetings the same they do for Officer's Association.

Membership Drive Efforts:

-Utilize the catering trailer for lunch meals on drill weekends. Has been mentioned several times, but has yet to be done.

-All Soldiers should be aware that they will receive a half-day off from drill for joining the association.

-Ensure a representative is at MEDCOM during PHA weekend.

Legislative Efforts:

-No report.

Fund Raisers Supported:

-No report.
