****This report is not complete and is pending a few changes in key members within the groups/squadrons and flights. Also, the online membership directory is not 100% and numbers are still coming in. Above numbers reflect the website and are not accurate and will be changed as updates are made.**

Goals for District VI:

- Encourage and speak on the benefits of life time memberships.
- Work with group and squadrons on updating their respective areas to better reflect their total numbers.
- Be an active and relevant Area: for our members, for our states, and for EANGUS
- Cultivate future leaders while promoting EAANG

Communications efforts:

- Working on getting younger airmen involved that can act as flight reps to help educate and put out new information.
- Speaking at our local association's (Rising 6, Top III, Chiefs Council and First Sergeant Council) promoting the web site and new fees associated with life time memberships.

Support Needed:

- Administrative access to the membership directory to realign members in their perspective areas.

Membership Drive Efforts:

- Speaking at roll calls and promoting the association through use of the websites.
- Open flow of communication into what EAANG/EANGUS is doing for its member's.
- First Sergeant Council for the 189 AW now awards its Diamond Award recipient with a life-time membership (state and national) and sponsor that person to attend the State Conference. By doing this were hoping the other four councils will follow suite.

Fund Raisers Supported:

- Will continue to support local baseball games and encourage more participation.
