

Arkansas Enlisted Association Retired Air Report

Membership initiative

I am acquiring the names, addresses and contact numbers of the Retired Chief Master Sergeants from the Air National Guard Headquarters. I plan to send each of the retirees a letter. Those that are not members of the association I will solicit their membership. I will ask all of the Chiefs to become active in the association and most importantly reach out to all Air Guard Retirees and encourage membership in the Enlisted Association. Also plan to encourage membership in the association of members upon their retirement. Will provide informational material during their out processing.

Richard Green, CMSgt (Retired)

Arkansas Enlisted Association

Retired Air National Guard Chairman
